

## Curriculum:

**Eduates International School offers an American Standards Based Curriculum in addition to the Arabic Language as a compulsory subject. Eduates also offers Islamic Studies, Saudi Social, Social Studies, French, and Physical Education as part of its core program.**

**In addition to this, Eduates International School also offers a Comprehensive High School Program to equip students with admission pre-requisites for universities both locally and globally.**

**Heads of Departments in Kindergarten, Elementary, Middle and High School sections are responsible for ensuring the smooth running of their departments. This includes curriculum planning, implementation and assessment.**
